RE: MERTON R. ANDERSON  
SPECIAL AGENT, GS-12

SA ANDERSON is a resident agent at Spokane, Washington, and he handles a road trip territory out of that resident agency, in which he handles all matters within the Bureau's jurisdiction. In addition he devotes the balance of his time to applicant-type cases.

He handles a satisfactory volume of work, which is done with proper attention to deadlines. He makes a neat, clean-cut, businesslike appearance. He is pleasant and affable and extremely devoted to the Bureau. He is available for all assignments, and is capable of participating in raids and other dangerous assignments under proper supervision.

He has no known physical limitations affecting his work. His reports, letters and memoranda are prepared in a satisfactory manner. He is able to handle the more complicated investigative matters under appropriate supervision.

During the months of April and May he has opened an average number of new cases, closed an above average number and devoted a maximum amount of time to investigative efforts. He has accomplished no statistical results during the rating period.

NARRATIVE COMMENTS.

Note: The regulations require that OUTSTANDING ratings be supported by a statement in writing setting forth IN DETAIL the performance IN EVERY ASPECT and the REASONS for considering each worthy of SPECIAL COMMENDATION. UNSATISFACTORY ratings must be supported by a statement in writing stating (1) WHEREIN the performance is unsatisfactory, (2) the facts of the (90 day) PRIOR WARNING, and (3) the efforts made AFTER THE WARNING TO HELP the employee bring his performance up to a satisfactory level.

# PERFORMANCE RATING GUIDE FOR INVESTIGATIVE PERSONNEL

(For use as attachment to Performance Rating Form No. FD-185)

Name of Employee MERTON R. ANDERSONTitle Special Agent, GS-12Rating Period: from 4/1/61 to 3/31/62

## RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

- Rate items as follows:
- + Outstanding (exceeding excellent and deserving of special commendation).
  - E Excellent.
  - ✓ Satisfactory (good or very good).
  - Unsatisfactory.
  - O No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

1. "Outstanding" adjective rating requires (A) that all rated elements be "+" and (B) that each and every rated element be factually justified by narrative detail on reverse of Form FD-185.
2. "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
  - A. Any element rated "Unsatisfactory" must be supported by narrative comments.
  - B. An "official" adjective rating of "Unsatisfactory" must comply with the requirements described on the reverse of form FD-185.

SA ANDERSON continues his assignment throughout this rating period at the Spokane Resident Agency. His current assignments include both general criminal and applicant-type cases, with deadline requisites. He has the responsibility on a road trip basis of all the work in one outlying county, as well as general criminal and applicant-type work in the Spokane area. He has, therefore, had considerable and varied experience with an excellent work record.

SA ANDERSON is of medium stature, is extremely neat in his person and dress. He makes a very friendly and business-like impression. He appears to have no difficulty whatsoever in making his required contacts.

At times he has a tendency to be somewhat verbose; however, he is very much aware of this situation and has continually striven to counter this tendency. He is capable, by experience, of handling the more complicated Bureau case or assignment under appropriate Bureau supervision. SA ANDERSON is extremely sincere and a very loyal Bureau employee. He is available for all assignments. He has no known physical limitations which would affect any assignment of work or use of firearms. He is capable of participation in raids and dangerous assignments under limited supervision.

SA ANDERSON was commended to the Seattle Office by the United States Attorney at Spokane in April 1960, in connection with his participation with six other Seattle Agents in a Bank Robbery investigation that resulted in a favorable conviction following a trial action. He was additionally commended by the Director in a letter of May 2, 1960, in connection with his splendid judgment in the handling of a situation at Spokane which was a matter of extreme interest to the Director.

SA ANDERSON was additionally commended by the United States Attorney at Spokane in November 1960, in connection with his participation with other Seattle Agents in the investigation and trial action in a kidnaping matter.

Dear Mr. Anderson:

Thank you for your suggestion that a particular abbreviation be used in the character of certain applicant-type cases. I am sure you will be interested to know that the Bureau has already authorized the use of an abbreviation which is shorter than the one you propose; hence it is not considered feasible to adopt your idea.

NOTE: SAC Letter 60-55 (E) dated 11/29/60 states that the Bureau agreed to do 357 applicant investigations for the Department of State. Mr. Splendore of the Investigative Division advises that about 150 of these have already been received. As pointed out in the last paragraph of the SAC Letter, the character of these cases is "Department of State - Applicant" (DS-A) For these reasons it is recommended that the suggestion not be adopted.

<b>SUGGESTION</b>  It is suggested that the abbreviation "DOSAP" be used in the character of certain applicant-type cases to represent Department of State - Applicant.		
Current practice or rule (Include manual citation as well as facts) The first item listed in the caption is the applicant's name; following this is typed "Department of State - Applicant." Handbook Sec. I, p.45, No. 7a.		
Advantages of suggestion and annual savings (include basis for estimate)  As pertained to the one statement "DEPARTMENT OF STATE - APPLICANT," Agent's dictation time would be reduced 80% and stenographer's transcription time would be reduced 34%. This abbreviation is not presently in use in the Bureau. It is believed that use of this term would become commonplace within one week as this abbreviation is similar to "BUAP" and "DAPLI."		
Disadvantages of suggestion  None known		
(The use by the United States of my suggestion shall not form the basis of a further claim of any nature by me, my heirs, or assigns upon the United States. I understand that I will be considered for any justified award only if my suggestion is adopted within two years after submission.) <input checked="" type="checkbox"/> Mr. <input type="checkbox"/> Mrs. <input type="checkbox"/> Miss <u>Merton R. Recommendations and comments of Division Head  My recommendation is favorable. I believe this would save typing time and roughdrafting time, and recommend that consideration be given to adopting this abbreviation. <u>Special Agent in Charge</u> Signature and Title (Do not write in this space - for Bureau use only)

RE: MERTON R. ANDERSON  
SPECIAL AGENT, GS-11

PART I GENERAL COMMENTS

SA ANDERSON during this brief rating period continues his assignment in the Spokane Resident Agency. His current assignments include both general criminal and applicant-type cases with deadline requisites. He currently has the responsibility on a road trip basis of two outlying counties in this RA. He functions very well in his assignments and demonstrates a very good understanding of Bureau regulations and procedures.

SA ANDERSON is of medium build, is extremely neat in his person and dress, and makes an excellent personal appearance. He makes a good impression, and is well regarded by police officials, and has shown no difficulty in making the required contacts in his Bureau assignments.

SA ANDERSON is a very thorough investigator, and has no difficulty in report writing procedures. He is mature, and requires less than average supervision for an Agent of his grade and tenure.

SA ANDERSON is considered as fully qualified to handle the complicated and involved cases. He is available for all assignments and has no known physical limitations which would affect any assignment of work or use of firearms. He is capable of participation in raids and dangerous assignments under limited supervision.

SA ANDERSON was commended to the Seattle Office by the United States Attorney at Spokane, in April 1960, in connection with his participation in a bank robbery investigation that resulted in a favorable conviction, following trial action.

SA ANDERSON was further commended by the Director in a letter of May 2, 1960, in connection with his spontaneous action taken at Spokane in utilizing splendid judgment in circumstances that were brought to his attention.

SUBJECT: MARK KRAFT  
 WEST 430 INDIANA AVENUE  
 SPOKANE, WASHINGTON

A letter was received on 4-25-60 from Kraft with which he enclosed a photograph depicting an outdoor privy bearing a sign stating, "National Headquarters!!! Draft J. Edgar Hoover for President. Only Honest Man left in Washington! Mark Kraft Realty, Spokane, Washington."

Kraft stated that two FBI Agents stopped by his office and requested that the sign be removed. He stated this was done and that it had been used for advertising purposes.

He then asked if the Director considered the sign an insult to him, the Director, and the FBI. He advised that no insult was intended, that he considered the Director and the FBI to be above reproach. Kraft stated that when freedom to display signs about people or organizations is revoked, that the end is not far off. He then asks, "May I replace the sign?"

The Seattle Office was requested to advise the Bureau of the circumstances. By teletype of 4-26-60, the SAC furnished information showing that Kraft has a questionable credit record, that he had 7 traffic arrests prior to December 6, 1951. He was placed on probation for 6 months in December, 1951, for previous traffic citations. Since December, 1951, he had 5 traffic arrests for speeding and running red lights. He was fined from \$5 to \$27. There is no information in Seattle Office or Bufiles identifiable with Kraft.

SAC advised that Special Agents William L. Price and Merton R. Anderson were the Agents who noticed the sign, stopped at Kraft's office and requested Mrs. Kraft to remove the sign as it was most improper. They expressed their appreciation for the remark "Only honest man left in Washington." Mrs. Kraft graciously agreed to take down the sign, stating it was used as an advertising gimmick and that she and Mr. Kraft were great supporters of Mr. Hoover and thought he would make a marvelous president. SAC recommends letters of commendation for Special Agents Price and Anderson. SAC is to be in Spokane, Washington, on April 28, 1960; therefore, it is believed he should be

instructed to contact Kraft and advise him that the Director is appreciative of his support and confidence, that the Director has no political aspirations and is only interested in continuing in his present capacity to the best of his ability. Kraft should be advised that the Director considers the sign improper and that, as a matter of policy, he does not lend his name or that of the FBI to commercial or advertising projects of this nature.

If you agree, an appropriate teletype to the SAC at Seattle is attached. Correspondence and Tours Section also concurs with SAC's recommendation for letters of commendation to SAs Price and Anderson.

RECOMMENDATIONS:

(1.) That the attached teletype to SAC, Seattle, advising him to contact Mark Kraft, Spokane, Washington, concerning the use of the Director's name in an advertising gimmick, be approved.

(2) That a copy of this memorandum be referred to the Administrative Division so that letters of commendation may be directed to SAs William L. Price and Merton R. Anderson for their forthright action in protecting the Director's dignity in this matter.

# PERFORMANCE RATING GUIDE FOR INVESTIGATIVE PERSONNEL

(For use as attachment to Performance Rating Form No. FD-185)

Name of Employee MERTON R. ANDERSONTitle Special Agent, GS-11Rating Period: from 4/1/59 to 3/31/60

## RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

Rate items as follows:

- + Outstanding (exceeding excellent and deserving of special commendation).  
E Excellent.  
✓ Satisfactory (good or very good).  
- Unsatisfactory.  
O No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

- "Outstanding" adjective rating requires (A) that all rated elements be "+" and (B) that each and every rated element be factually justified by narrative detail on reverse of Form FD-185.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
  - Any element rated "Unsatisfactory" must be supported by narrative comments.
  - An "official" adjective rating of "Unsatisfactory" must comply with the requirements described on the reverse of form FD-185.

PART I GENERAL COMMENTS

SA ANDERSON continues assignment throughout this rating period at the Spokane Resident Agency, where he handled on a road trip basis three outlying counties until recent date, when this road trip was reduced to two counties. His case assignments have been in both the criminal and applicant categories. He has had this varied experience with an excellent work record.

SA ANDERSON is of medium stature, neat and conservative in dress. He makes a very friendly, yet business-like impression. He appears to have no difficulty whatsoever in making his required contacts. He plans his work well, makes every deadline requisite wherever possible. Compared with other Agents of like experience and tenure, his work record and performance are excellent.

SA ANDERSON is extremely thorough as an investigator, and has no difficulty in report writing. He is capable by experience of handling the more complicated Bureau case or assignment under appropriate supervision.

He has submitted one suggestion to the Bureau during this rating period, which indicates that he is well aware of the importance of this vital program. SA ANDERSON was commended by the Director in February, 1960, in connection with his functioning in an important Bank Robbery case. He handled his assignments with much skill and located as evidence the weapon utilized in this particular crime.

SA ANDERSON is available for all assignments. He has no known physical limitations which would affect any assignment of work or use of firearms. He is capable of participation in raids and other dangerous assignments under limited supervision.

SA ANDERSON closed on an average of 17.45 cases per month for the first eleven months of this rating period. The average of all the Resident Agents at Seattle is 12.56 cases per month. This indicates that the production of this Agent is excellent. His statistical results have likewise been quite good.

OFFICE MEMORANDUM - UNITED STATES GOVERNMENT

SUBJECT: JOSEPH KENNETH WILLIAMS,  
Fairchild Air Force Base Facility Office,  
Old National Bank of Spokane,  
Fairchild, Washington, 12/3/59;  
BR

Rerep SA THOMAS B. WALTON, Seattle, dated 12/9/59.

In connection with the investigation of this matter, I thought the Bureau would be interested in certain aspects of the performance of the Agents involved, particularly in view of the outstanding results achieved.

The bank in this matter was held up and robbed at 9:40 AM on 12/3/59 by a lone individual carrying a shotgun and wearing a mask that completely hid his facial features. He was successful in taking over \$14,000 in cash from the bank and forcing five employees into the vault prior to his departure from the premises. Through an outstanding, detailed investigation, which was commenced immediately, the subject was identified, the money was recovered, and the subject was taken into custody by 2:00 AM on 12/4/59 by Bureau Agents at Spokane, Washington. From the time the robbery occurred until the man was arrested, a total of 16 hours and 20 minutes had elapsed.

The investigation was assigned to SA THOMAS B. WALTON, Senior Resident Agent in Spokane, Washington. He had charge of coordinating the investigation.

SE 91-1436

SA WALTON was assisted in the investigation by Special Agents JOHN P. BOWKER, DONALD H. HEAD, CHARLES W. GREGORY, WARREN G. LONG, MERTON R. ANDERSON and WILLIAM L. PRICE from the Spokane Resident Agency and Special Agents WILLIAM J. DRESCHER, DEAN C. ROLSTON and CHESTER C. CRISMAN from the Seattle Office.

Preliminary investigation and interview of witnesses revealed that the subject left the bank, leaving some tools in the bank and a sawed-off shotgun on the steps. He ran approximately one block, dropped the knapsack containing approximately \$14,000, tools, clotheslines, locks, and two shotgun shells, and then proceeded to the Base Gymnasium a short distance away. At the gymnasium he partially changed clothes, leaving his heavy shoes and putting on tennis shoes, and leaving his reversible jacket and putting on an overcoat. He then proceeded to the Base Post Office and closed out his post office box, but for some reason he did not change into clothing that he had hidden there. He then proceeded to an unguarded gate on the Base outside of which he had parked a rented car. He was detained temporarily by Military Police, since he was discharged and unauthorized to be on the Base and thereby was a possible suspect.

The Agents in this case worked as a team, utilizing their training and experience as they should have done. It was a joint effort on the part of all; however, I thought the Bureau would be interested in the specific performance by designated Agents.

SA BOWKER coordinated efforts of the Military Police and representatives of the Spokane County Sheriff's Office, protected the crime scene and conducted a crime scene search, at which time he collected and preserved physical evidence consisting of locks, hasps, sawed locks, mirrors, and dust and metal particles. He interviewed the subject at the outset, collected dust particles from his clothing and secured his clothing. During a search of the area around the bank, SA BOWKER found a change of clothing that had been concealed by the subject and was later identified by witnesses as belonging to him. A pair of trousers found by SA BOWKER matched a coat found in subject's apartment at the time of his arrest. He located and interviewed a key witness who observed the subject running from the bank at a pertinent time carrying a canvas bag and wearing dark glasses.

SE 91-1436

SA HEAD took into evidence a pair of sun glasses found in the area similar to those worn by the subject and later determined to bear the subject's fingerprint. He conducted the investigation that resulted in identifying clothing belonging to the subject which will be used as evidence. He participated in a surveillance of the subject after he left the Base and during the evening prior to his arrest.

SA GREGORY, in addition to other things, in searching the Base gymnasium, found and took into evidence a shotgun shell matching the shells found in the loot bag and matching shells found in the subject's apartment at the time of his arrest. He also found a reversible jacket discarded in the gymnasium and later identified as belonging to the subject. He assisted in the surveillance of the subject during the afternoon and evening hours and processed and vacuumed the car used by the subject, seeking evidence against him.

SA ANDERSON, among other assignments, found and took into evidence the sawed-off shotgun used by the subject, obtained statements from the auditors regarding the money returned and conducted investigation at the motel where subject was residing, in an effort to identify and tie the subject into the clothing and physical evidence obtained.

SA WARREN G. LONG upon arrival at the bank took control of the investigation at that point, interviewed the witnesses, and actually interviewed most of the key witnesses at the bank. He developed a bank witness who through prior knowledge of the subject and his contact at the bank, positively identified the subject's voice as the voice of the bank robber.

While SA PRICE was not present in Spokane at the time the robbery occurred, he heard a broadcast concerning it from a distance approximately 80 miles away, returned to the scene of the robbery immediately and participated in the arrest of the subject at his motel room and the subsequent search. He conducted investigation to identify the gun used in the robbery and to locate persons who had sold the gun to the pawn shop where the subject originally obtained it.

SA DEAN C. ROLSTON contributed materially to the investigation in that in reviewing the evidence obtained he

SE 91-1436

located the number "W-0692" on the inside of a pair of shoes found in the Base gymnasium. In an effort to determine the significance of this number, SA ROLSTON reasoned that possibly it might be a part of subject's serial number. In checking this, he determined this was the first letter in the last name of the subject and the last four digits of his Army Serial Number. This factor was depended upon very much by the United States Attorney in authorizing a complaint against the subject.

SA WALTON, in addition to having over-all charge of the investigation, interviewed the bank manager, took charge of the recovered money and most of the physical evidence located on the scene, presented the matter to the United States Attorney, and in my opinion did an outstanding job of supervising this investigation on the scene.

All in all, I feel that bearing in mind that the subject in this robbery took every step possible to conceal his identity at the time the offense occurred and recognizing that the investigation was completed in such a short time, developing what the United States Attorney in Spokane believes is conclusive evidence against the subject, the Agents performed an outstanding job. I recommend that individual letters of commendation be addressed to Special Agents WALTON, BOWKER, HEAD, GREGORY, LONG, ANDERSON, PRICE and ROLSTON.

While SA's WILLIAM J. DRESCHER and CHESTER C. CRISMAN participated in the investigation in a highly satisfactory manner, their specific contribution is not such as to justify a letter of commendation to them individually.

SAC, MILNES: SA ANDERSON is a resident agent at Spokane, Washington where he has been assigned since July 7, 1958. He handles applicant type and criminal type matters. He is interested, sincere and conscientious. His work is performed in an excellent manner and he produces an above average amount of work with a minimum amount of supervision. His attitude toward his work is particularly good. He has made one suggestion to the Bureau for the improvement of the Bureau's efficiency.

M.W. JOHNSON,  
INSPECTION STAFF: 12-3-59

Rating: EXCELLENT

Anderson is 39 years of age. Inspector concurs with comments made by Special Agent in Charge. He has been a Resident Agent at Spokane, Washington since July, 1958. He spends approximately half of his time on applicant matters and as of the date of the inspection did not have a Criminal Informant assigned to him. This was thoroughly discussed with Anderson, and he stated that he presently has a potential criminal informant which he feels will qualify as a criminal informant in the immediate future. The importance of the informant programs was thoroughly discussed with him and he advised that he would make certain that he developed a criminal informant in the immediate future. During the three months preceding the inspection, Anderson's voluntary overtime averaged 3' 6" a day and he averaged closing 21 cases a month. His present case load is 28 investigative matters. Anderson appears to be an above average Special Agent and appears to be performing in an entirely satisfactory fashion as a Resident Agent with the exception of the fact that he should put additional emphasis on the development of a criminal informant.

RECOMMENDATION:

Retain in present assignment.

SUGGESTION #1307-59  
SUBMITTED BY SA MERTON R. ANDERSON  
SEATTLE OFFICE

SUGGESTION: That letters "TTF" be placed in the caption and underlined in all communications concerning any of the Top Ten fugitives.

CURRENT PRACTICE: Statement is included in the body of a communication setting out leads in the Top Ten investigation that subject is one of the Bureau's Ten Most Wanted Fugitives and that leads are to be covered within 48 hours.

ADVANTAGES CLAIMED: Use of letters "TTF" in caption of communication will immediately flag it as one containing information on a Top Ten Fugitive thus commanding expeditious handling by the Agents covering leads, supervisors and the Chief Clerk's Office.

OBSERVATIONS: Investigative Division believes identity of Ten Most Wanted Fugitives is well known to Bureau employees. All employees are furnished a memorandum with photographs and identifying information each time a replacement is added to the list. As pointed out in suggestion, in setting out leads, offices include in the body of the communication the fact that a subject is one of the Ten Most Wanted Fugitives and that leads are to be covered within 48 hours. It should not be necessary for employees to rely on an abbreviation in the caption of a communication which will require another set of rules and procedures for implementation. Investigative Division recommends unfavorable.

RECOMMENDATION: Unfavorable. No further action necessary as suggester has been thanked by letter for submitting suggestion.

SUGGESTION

That "TTF" be placed in the caption and underlined in all communications concerning the Top Ten Fugitives. These letters represent the first letter of each of the words "Top Ten Fugitive".

Current practice or rule (Include manual citation as well as facts) At the present, no notation is placed in the caption to indicate that Subject is one of the Top Ten Fugitives. In the body of the communication is inserted a paragraph which states that the Subject is one of the Bureau's 10 most wanted and

Advantages of suggestion and annual savings (include basis for estimate) /leads are to be covered within /48 hours.

The use of TTF in the caption of all communications is brief. It will require practically no additional typing; however, most of all, in view of its position in a communication, it will immediately flag the communication as one containing information on a Top Ten Fugitive, thus commanding expeditious handling, both by the Agents covering leads and the desk supervisor, and by the clerks in the CCO as well.

There is no known abbreviation of TTF presently in use in Bureau communications.

RECOMMENDATIONS AND COMMENTS OF DIVISION HEAD:

Cases involving Top 10 fugitives are of considerable importance and should receive priority in handling. Adoption of this suggestion to some extent would make for uniformity, and this practice would serve as an additional flag that the case involves a Top 10 Fugitive.

ANDERSON is a Resident Agent, and the adoption of the suggestion might assist those Agents handling leads on a Top 10 Fugitive.

RECOMMEND ADOPTION.

## NARRATIVE COMMENTS

Note: The regulations require that OUTSTANDING ratings be supported by a statement in writing setting forth IN DETAIL the performance IN EVERY ASPECT and the REASONS for considering each worthy of SPECIAL COMMENDATION.  
UNSATISFACTORY ratings must be supported by a statement in writing stating (1) WHEREIN the performance is unsatisfactory, (2) the facts of the (90 day) PRIOR WARNING, and (3) the efforts made AFTER THE WARNING TO HELP the employee bring his performance up to a satisfactory level.

## RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

Rate items as follows:

- + Outstanding (exceeding excellent and deserving of special commendation).  
E Excellent.  
✓ Satisfactory (good or very good).  
- Unsatisfactory.  
O No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

- "Outstanding" adjective rating requires (A) that all rated elements be "+" and (B) that each and every rated element be factually justified by narrative detail on reverse of Form FD-185.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.  
 A. Any element rated "Unsatisfactory" must be supported by narrative comments.  
 B. An "official" adjective rating of "Unsatisfactory" must comply with the requirements described on the reverse of form FD-185.

Effective July 7, 1958, he was transferred to Spokane, Washington, as a resident agent, where he has continued to handle applicant cases and a variety of criminal assignments.

SA ANDERSON has shown a capability for handling complicated applicant and loyalty matters, and he is extremely thorough in his investigations.

He is capable of handling the most complicated investigative matters under appropriate supervision and is well able to participate satisfactorily in raids and dangerous assignments. Bureau approval is requested to establish duty shift for one agent in the Seattle Office on Sundays from 8:00 a.m. to 4:00 p.m., and on holidays from 8:00 a.m. to 4:00 p.m. The assignment appears necessary because of the number of complaints that are received by the office on Sundays and holidays and because of the number of items that have to be handled by agent rather than clerical personnel. No clerical personnel will be scheduled to work on these Sunday and holiday shifts.

By letter dated July 18, 1955, captioned "ODD HOUR SHIFTS," the Bureau specifically approved the use of a special agent on duty from 4:00 p.m. to midnight.

# NARRATIVE COMMENTS

Note: The regulations require that OUTSTANDING ratings be supported by a statement in writing setting forth IN DETAIL the performance IN EVERY ASPECT and the REASONS for considering each worthy of SPECIAL COMMENDATION. UNSATISFACTORY ratings must be supported by a statement in writing stating (1) WHEREIN the performance is unsatisfactory, (2) the facts of the (90 day) PRIOR WARNING, and (3) the efforts made AFTER THE WARNING TO HELP the employee bring his performance up to a satisfactory level.

Name of Employee MERTON R. ANDERSON Title SPECIAL AGENT, GS-11

## RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

- Rate items as follows:  
+ Outstanding (exceeding excellent and deserving of special commendation).  
E Excellent.  
✓ Satisfactory (good or very good).  
- Unsatisfactory.  
O No opportunity to appraise performance during rating period.

### Guide for determining adjective rating:

1. "Outstanding" adjective rating requires (A) that all rated elements be "+" and (B) that each and every rated element be factually justified by narrative detail on reverse of Form FD-185.
2. "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
  - A. Any element rated "Unsatisfactory" must be supported by narrative comments.
  - B. An "official" adjective rating of "Unsatisfactory" must comply with the requirements described on the reverse of form FD-185.

RE: MERTON R. ANDERSON  
SPECIAL AGENT, GS-11

PART I GENERAL COMMENTS

SA ANDERSON was transferred to the Seattle Office in September, 1957, from his first office assignment as an Agent in San Francisco. His case assignments at Seattle are principally in the applicant and loyalty categories. He is an extremely thorough and meticulous Agent and has demonstrated ability to handle the more involved, sensitive-type applicant and loyalty matters. In his current assignment he functions as the liaison Agent handling all applicant and loyalty matters at the University of Washington, which involves record checks and faculty interviews. His performance to date in this respect is commendatory.

SA ANDERSON makes a very satisfactory personal appearance. He is of medium build, neat and conservative in dress, and makes a very business-like impression. He has a pleasant friendly manner, with sufficient forcefulness and aggressiveness as required. He appears to have no difficulty whatsoever in making his required contacts. He functions with a minimum of supervision in comparison with Agents of similar grade and tenure. His production is above average and he willingly accepts any assignment.

SA ANDERSON was among a group of San Francisco Agents who were commended in August, 1957, by the Director concerning their participation and fine performance in a Bank Robbery investigation. SA ANDERSON was included among a group of Seattle Agents handling investigative assignments in an Extortion-Kidnaping case in September, 1957, for which case the Seattle Office was commended as to exemplary performance by the Director.

SA ANDERSON is available for all assignments. He is capable of participation in raids and dangerous assignments, and is qualified in the use of all Bureau firearms. He has no known physical limitations which would affect any assignment of work in this respect. The overall performance of this Agent is excellent.

3. Participation in Informant Programs

SA ANDERSON has actively participated in the Criminal Informant Program of the office, notwithstanding the fact that his assignments have been principally applicant and loyalty matters. His effort and time devoted to the Informant Program indicates that he is fully aware of the importance of this phase of Bureau work.

4. Testifying Experience and Ability

SA ANDERSON during this rating period has not had the opportunity for testifying experience due to the nature of his case assignments. He testified during the previous annual rating period in United States District Court and there are no apparent limitations or weaknesses in this respect.

11. Current Suitability for Administrative Advancement

SA ANDERSON is interested in administrative advancement, but I do not feel at this time that his experience and development potentials are sufficiently apparent to permit consideration in the immediate future. He will be afforded administrative desk work from time to time to better evaluate his ability in this regard.

ADDENDUM

MERTON R. ANDERSON  
SPECIAL AGENT - GS-11

This is an administrative performance rating occasioned by SA ANDERSON'S transfer to Seattle.

He has continued his assignment to the Security of Government Employees-Applicant Squad where he has handled all types of applicant investigations and a limited number of SGE investigations. Several of the applicant matters developed into the more complicated type and SA ANDERSON'S investigations of these cases were somewhat above average for a first-office agent. He is qualified to handle complicated investigative matters with an average amount of supervision expected of an agent with his experience.

SA ANDERSON was one of several agents who assisted in the investigation of a bank robbery case involving WILLIAM LIEBSCHER, JR., in which a letter was directed to the SAC by the Director commending those agents who participated in this investigation.

SA ANDERSON has continued to demonstrate an above average investigative ability and his reports and other paper work require an average amount of supervision. He is extremely cooperative, enthusiastic and a conscientious and diligent worker. His production is above average and he willingly accepts any assignment.

SA ANDERSON continues to develop in a very satisfactory fashion.

# PERFORMANCE RATING GUIDE FOR INVESTIGATIVE PERSONNEL

(For use as attachment to Performance Rating Form No. FD-185)

Name of Employee MERTON R. ANDERSONTitle SPECIAL AGENT - GS-10Rating Period: from 4/1/56 to 3/31/57

## RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

- Rate items as follows:
- + Outstanding (exceeding excellent and deserving of special commendation).
  - E Excellent.
  - ✓ Satisfactory (good or very good).
  - Unsatisfactory.
  - O No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

1. "Outstanding" adjective rating requires (A) that all rated elements be "+" and (B) that each and every rated element be factually justified by narrative detail on reverse of Form FD-185.
2. "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
  - A. Any element rated "Unsatisfactory" must be supported by narrative comments.
  - B. An "official" adjective rating of "Unsatisfactory" must comply with the requirements described on the reverse of form FD-185.

## RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared. Rate items as follows:

- + Outstanding (exceeding excellent and deserving special commendation).  
✓ Satisfactory (ranging from good to excellent but not sufficient to rate outstanding).  
- Unsatisfactory.  
0 No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

An 'Outstanding' rating cannot be justified unless all elements rated are 'plus', and in addition, of course, supporting comments must comply with the requirements as set out on the reverse of form FD-185.

So far as 'Satisfactory' and 'Unsatisfactory' ratings are concerned, it is impossible to provide a mechanical formula for computing the various 'plus', 'check', and 'minus' marks because such would presume equal weight for all elements rated. Good judgment must be exercised to insure that the adjective rating is reasonable in the light of the elements rated. All minus marks must be supported by narrative detail, and of course, all 'Unsatisfactory' ratings must comply with the requirements as set out on the reverse of form FD-185.

Anderson makes a very nice personal appearance. He keeps himself neatly groomed and he seems to be mature, clean-cut and strong. His personality is very good. He has the ability to make an immediate friendly, businesslike and effective contact. His performance in all phases of the training has been satisfactory and his attitude is excellent. He should be able to make satisfactory contacts on behalf of the Bureau.

During firearms training Anderson experienced some difficulty in firing the Bureau weapons at first, possibly due to unfamiliarity with these guns; but he had no difficulty in firing qualifying scores on any of the Bureau courses. He has a good knowledge of the weapons.

Anderson should develop into a satisfactory agent.

(U)

Re SAC Letter 55-22 (8), 3/15/55.

The following information is submitted in response to questionnaire entitled: "Replacement of Agents by Special Employees and Male Clerks."

TECHNICAL SURVEILLANCES

1. A. & B. San Antonio now has no Special Agents or Special Employees used on technical surveillances, full-time or part-time.  
  
C. San Antonio has one Special Employee, ROBERT A. LEHNE, GS-9, who is not used on technical surveillances but who is available for transfer where needed on technical surveillances. Mr. LEHNE advises that if transferred from San Antonio he would prefer the West Coast or foreign assignment but is available for any office. He has a speaking and fair translating knowledge of German.  
  
D. San Antonio has no Special Employee unavailable for transfer.
2. & 3. San Antonio has no pending or anticipated technical surveillances. The most likely foreign languages which might be encountered in a future case would be German or Spanish.
4. San Antonio has no male clerks with proficiencies in Russian, Serbo-Croatian, Slovene, Czech, Slovak, Polish, Hungarian, Romanian or Modern Hebrew.

RECORD CHECKS AND OTHER DUTIES

1. Credit and criminal checks, review of vital statistic records, and INS record checks in San Antonio are handled largely by SE ROBERT A. LEHNE who is assisted part-time by RCO WILLIAM R. SWOPE, GS-7. Mr. LEHNE also handles Bureau automobile matters, contracts, and firearms and range maintenance. In the event circularization of motels and tourist courts in the State of Texas becomes necessary, this circularization is handled by SE LEHNE at the office of the Texas Motor Carriers Insurance Corporation at Austin.

In other cities in this division all record checks are made by Resident or Road Trip Agents assigned to those areas. Because of the scattered nature of those inquiries it does not appear feasible to have them done by a clerk. Consideration has been given previously to having a clerk or Special Employee assigned to the Austin Resident Agency covering the state capital of Texas for the purpose of reviewing records of such Agencies as the Texas Highway Department, Department of Public Safety, State Selective Service Headquarters, State Bureau of Vital Statistics, etc. Many such checks are now being handled by field offices on a correspondence basis and many motor vehicle checks are made from San Antonio through Texas DPS radio. Many of those leads which are assigned at Austin are coupled with other investigative leads which generally require that the check be made by a Special Agent.

2. No male clerks, GS-5 through GS-7, are needed for the above duties in addition to SE LEHNE. Should SE LEHNE be transferred, one male clerk would be needed to replace him.
3. San Antonio has three male clerks who would be qualified for consideration for such position in San Antonio or another office.

Letter to the Director

3/23/55

4. The three clerks mentioned above are identified as follows:

MERTON R. ANDERSON, Security Patrol Clerk (Relief Shift) GS-5, GS 301-5-55-F-116. Mr. ANDERSON was born July 21, 1920, and has been employed as a clerk in this office since March 25, 1951. He has been a good, conscientious employee and has sufficient intelligence, maturity, judgement, personality and appearance to properly represent the Bureau. He is available where needed. His offices of preference are San Antonio, Dallas, and Milwaukee. Mr. ANDERSON has applied and been recommended for the position of Special Agent since he secured his B. S. degree in business administration from Trinity University, San Antonio, in January, 1955.

C. MAXTON FARRELL, Security Patrol Clerk (Night Shift) GS-5, GS 301-5-55-F-115. Mr. FARRELL was born [redacted] EOD at Bureau October 18, 1948, and has been assigned to San Antonio since May 10, 1951. He is an experienced, conscientious employee and has the necessary attributes to properly represent the Bureau. He is a student at St. Mary's University, San Antonio, and expects to secure a B. A. degree about January, 1957, after which he desires to apply for Special Agent. He came to San Antonio because of an asthmatic condition of his wife, NELLIE H. FARRELL, who is an Administrative Clerk, GS-4, in this office. He advised this condition has since cleared up and that he is available for transfer to any office, preferably southern or western. His offices of preference are Charlotte, San Antonio and Norfolk.

EDWARD F. YARBROUGH, Security Patrol Clerk (Midnight Shift) GS-3, GS 301-5-55-F-114. Mr. YARBROUGH was born [redacted] and has been a clerk in this office since June 9, 1952. He is handling the midnight security patrol shift on a trial basis and is being recommended for reallocation to GS-5. Mr. YARBROUGH is young but appears to have sufficient intelligence, maturity, judgement, personality and appearance to represent the Bureau in this field. He is available for assignment in any office after the end of his present semester at Trinity University, San Antonio, about June 1, 1955.

## THE FBI PLEDGE FOR LAW ENFORCEMENT OFFICERS

Humbly recognizing the responsibilities entrusted to me, I do vow that I shall always consider the high calling of law enforcement to be an honorable profession, the duties of which are recognized by me as both an art and a science. I recognize fully my responsibilities to defend the right, to protect the weak, to aid the distressed, and to uphold the law in public duty and in private living. I accept the obligation in connection with my assignments to report facts and to testify without bias or display of emotion, and to consider the information, coming to my knowledge by virtue of my position as a sacred trust, to be used solely for official purposes. To the responsibilities entrusted to me of seeking to prevent crime, of finding the facts of law violations and of apprehending fugitives and criminals, I shall give my loyal and faithful attention and shall always be equally alert in striving to acquit the innocent and to convict the guilty. In the performance of my duties and assignments, I shall not engage in unlawful and unethical practices but shall perform the functions of my office without fear, without favor, and without prejudice. At no time shall I disclose to an unauthorized person any fact, testimony, or information in any pending matter coming to my official knowledge which may be calculated to prejudice the minds of existing or prospective judicial bodies either to favor or to disfavor any person or issue. While occupying the status of a law enforcement officer or at any other time subsequent thereto, I shall not seek to benefit personally because of my knowledge of any confidential matter which has come to my attention. I am aware of the serious responsibilities of my office and in the performance of my duties I shall, as a minister, seek to supply comfort, advice and aid to those who may be in need of such benefits; as a soldier, I shall wage vigorous warfare against the enemies of my country, of its laws, and of its principles; and as a physician, I shall seek to eliminate the criminal parasite which preys upon our social order and to strengthen the lawful processes of our body politic. I shall strive to be both a teacher and a pupil in the art and science of law enforcement. As a lawyer, I shall acquire due knowledge of the laws of my domain and seek to preserve and maintain the majesty and dignity of the law; as a scientist, it will be my endeavor to learn all pertinent truth about accusations and complaints which come to my lawful knowledge; as an artist, I shall seek to use my skill for the purpose of making each assignment a masterpiece; as a neighbor, I shall bear an attitude of true friendship and courteous respect to all citizens; and as an officer, I shall always be loyal to my duty, my organization, and my country. I will support and defend the Constitution of the United States against all enemies, foreign and domestic; I will bear true faith and allegiance to the same, and will constantly strive to cooperate with and promote cooperation between all regularly constituted law enforcement agencies and officers in the performance of duties of mutual interest and obligation.

NARRATIVE COMMENTS

Note: The regulations require that OUTSTANDING ratings be supported by a statement in writing setting forth IN DETAIL the performance IN EVERY ASPECT and the REASONS for considering each worthy of SPECIAL COMMENDATION. UNSATISFACTORY ratings must be supported by a statement in writing stating (1) WHEREIN the performance is unsatisfactory, (2) the facts of the (90 day) PRIOR WARNING, and (3) the efforts made AFTER THE WARNING TO HELP the employee bring his performance up to a satisfactory level.

# PERFORMANCE RATING GUIDE FOR NON-INVESTIGATIVE PERSONNEL

(For use as attachment to Performance Rating Form No. FD-185)

Name of Employee MERTON R. ANDERSON

Title Security Patrol Clerk,

Rating Period: from 10/1/54 to 4/15/55 <sup>GS-5</sup>

## RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared. Rate items as follows:

- + Outstanding (exceeding excellent and deserving special commendation).  
✓ Satisfactory (ranging from good to excellent but not sufficient to rate outstanding).  
- Unsatisfactory.  
0 No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

An 'Outstanding' rating cannot be justified unless all elements rated are 'plus', and in addition, of course, supporting comments must comply with the requirements as set out on the reverse of form FD-185.

So far as 'Satisfactory' and 'Unsatisfactory' ratings are concerned, it is impossible to provide a mechanical formula for computing the various 'plus', 'check', and 'minus' marks because such would presume equal weight for all elements rated. Good judgment must be exercised to insure that the adjective rating is reasonable in the light of the elements rated. All minus marks must be supported by narrative detail, and of course, all 'Unsatisfactory' ratings must comply with the requirements as set out on the reverse of form FD-185.

(1) *Identity of appointee.*—It is the duty of the appointing officer to guard against impersonation and to determine beyond reasonable doubt that the appointee is the same person whose appointment was authorized. If the appointee qualified in a written examination, the signature on this form should be compared with the signature on the declaration sheet, which was signed in the examination room. His physical appearance may be checked against the medical certificate. The appointee may also be questioned on his personal history for agreement with his previous statements.

(2) *Age.*—If definite age limits have been established for the position, it should be determined that applicant is not outside the age range for appointment. Until such determination is made, the appointment may not be consummated.

(3) *Citizenship.*—The appointing officer is responsible for observing the citizenship provisions of (1) the Civil Service Rules and (2) appropriation acts. Form 61, constitutes an affidavit for both purposes and is acceptable proof of citizenship status in the absence of conflicting evidence. In doubtful cases the appointment should not be consummated until clearance has been secured from the certifying office of the Civil Service Commission.

(4) *Members of Family.*—Section 9 of the Civil Service Act provides that whenever there are already two or more members of a family serving under probational or permanent appointment in the competitive service, no other member of such family is eligible for probational or permanent appointment in the competitive service. The appointments of persons entitled to veteran preference are not subject to this requirement. The members-of-family provision does not apply to temporary appointments. Doubtful cases may be referred to the appropriate office of the Civil Service Commission for decision.

Anderson was interviewed by Assistant Special Agent in Charge V. H. Bailey on 2-17-55. Mr. Bailey pointed out that this applicant has been a Clerk in the San Antonio Office since March, 1951, and is presently a Security Patrol Clerk. His wife is also employed as a Clerk in the office. The ASAC advised that Anderson is of medium height and build, has a clean-cut appearance and a friendly personality. He is industrious, conscientious, and aggressive, and has taken considerable interest in submitting suggestions for the improvement of the Bureau's operations. It was felt that this employee accepts responsibility readily and has exercised good judgment in carrying out his duties. In addition, he was rated as being well-groomed, well-poised, self-confident, enthusiastic, cooperative, alert and mature, and it was Mr. Bailey's opinion that he has the potential to develop into a very good Agent. Recommendation: Favorable.

Anderson's file indicates that in a memorandum to the Director dated 6-19-51, F. H. McIntire, then assigned as SAC at San Antonio and previously an Inspector, advised that Anderson had shown unusual progress for a new clerical employee. It was noted that he was then attending summer school and planned to further his education. Mr. McIntire added that he felt this employee would eventually be Agent material if he continued his education.

Bureau experience: On 3-26-51 Anderson entered on duty with the Bureau as a Clerk in the San Antonio Office. He is presently serving as a Security Patrol Clerk, Grade GS-5, in that office. On his last annual

Since this appointment is probationary for a period of one year, after which time it will become permanent, it is to be understood that it will be necessary for you to demonstrate during your probationary period your fitness for continued employment in the Federal Bureau of Investigation. All salaries are subject to the necessary Federal Withholding Tax. It is understood you are to proceed on orders to any part of the country where the exigencies of the service may require and it should be clearly understood that you will continue to be completely available for general and special assignment whenever and wherever the needs of the service demand. Further, you cannot expect an assignment to an office of your own preference. You should, therefore, so arrange your personal matters before taking oath of office that you will be able to accept assignment to any part of the country where your services may be needed.

Mr. Merton R. Anderson  
San Antonio, Texas

You should provide yourself with the following: one navy gray shirt and one pair of navy gray trousers for use on the firearms range; two pairs of white wool socks; one pair of gray athletic trunks, preferably with elastic waist; one athletic supporter; one gray sweat shirt; one pair of gymnasium shoes, either high or low (avoid black composition rubber soles that will mark floors); one pair of slippers for shower room use (if klaks or clogs are preferred they should have rubber soles). You should bring these items with you or they may be purchased in Washington after your arrival. You should also bring an adequate supply of business-type clothing.

Due to limited parking space, Agents are not permitted to take automobiles to Quantico. Storage space charges for automobiles in Washington are approximately \$1.25 per day.

Storage space for luggage at Quantico is likewise limited, and it is, therefore, desired that only a limited amount of clothing be brought by the Agent.

This appointment is subject to cancellation or postponement prior to your entry on duty.

You should also read carefully and closely the enclosed letter setting forth certain conditions under which the appointment is accepted and if the conditions are thoroughly understood, it is requested you sign and return the letter to this office immediately.

If you have been placed on notice by any armed service that you are about to be ordered to active duty therein, please advise this Bureau so that this appointment may be cancelled.

This appointment, which should be considered strictly confidential and given no publicity, should be presented when you report for oath of office.

Sincerely yours,

John Edgar Hoover

## NARRATIVE COMMENTS

Note: The regulations require that OUTSTANDING ratings be supported by a statement in writing setting forth IN DETAIL the performance IN EVERY ASPECT and the REASONS for considering each worthy of SPECIAL COMMENDATION. UNSATISFACTORY ratings must be supported by a statement in writing stating (1) WHEREIN the performance is unsatisfactory, (2) the facts of the (90 day) PRIOR WARNING, and (3) the efforts made AFTER THE WARNING TO HELP the employee bring his performance up to a satisfactory level.

## RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

Rate items as follows:

- + Outstanding (exceeding excellent and deserving special commendation).  
✓ Satisfactory (ranging from good to excellent but not sufficient to rate outstanding).  
- Unsatisfactory.  
○ No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

An 'Outstanding' rating cannot be justified unless all elements rated are 'plus', and in addition, of course, supporting comments must comply with the requirements as set out on the reverse of form FD-185.

So far as 'Satisfactory' and 'Unsatisfactory' ratings are concerned, it is impossible to provide a mechanical formula for computing the various 'plus', 'check', and 'minus' marks because such would presume equal weight for all elements rated. Good judgment must be exercised to insure that the adjective rating is reasonable in the light of the elements rated. All minus marks must be supported by narrative detail, and of course, all 'Unsatisfactory' ratings must comply with the requirements as set out on the reverse of form FD-185.

- ✓ (1) Personal appearance.  
✓ (2) Personality, including effectiveness of personal contacts.  
+ (3) Attitude (including dependability, cooperativeness, loyalty, enthusiasm, amenability and willingness to equitably share work load).  
✓ (4) Physical fitness (including health, energy, stamina).  
+ (5) Resourcefulness and ingenuity.  
+ (6) Forcefulness and aggressiveness as required.  
+ (7) Judgment, including common sense, ability to arrive at proper conclusions; ability to define objectives.  
+ (8) Initiative and the taking of appropriate action on own responsibility.  
+ (9) Accuracy and attention to pertinent detail.  
+ (10) Industry, including energetic consistent application to duties.  
+ (11) Productivity, including amount of acceptable work produced and rate of progress on or completion of assignments. Also consider adherence to deadlines unless failure to meet is attributable to causes beyond employee's control.  
+ (12) Knowledge of duties, instructions, rules and regulations, including readiness of comprehension and 'know how' of application.  
✓ (13) Technical or mechanical skills.

- + (14) Organizational interest, such as making of suggestions for improvement.  
✓ (15) Ability to work under pressure.  
○ (16) Supervisory ability:  
     - (a) Leadership  
     - (b) Ability to handle personnel

     - (g) Devising procedures  
     - (h) Emotional stability  
     - (i) Promoting high morale

Feb. 11, 1954

SAC, San Antonio

ASSISTANT CHIEF CLERK  
SAN ANTONIO DIVISION

Manton R. Anderson

~~PERSONAL AND CONFIDENTIAL~~

Reference is made to the Bureau's letter to Miss ANNE CREWS, Assistant Chief Clerk of this Division, dated February 5, 1954 accepting her resignation effective at the close of business February 26, 1954.

From the clerical personnel presently assigned to this Division there appears to be five individuals who meet the qualifications for the position of Assistant Chief Clerk. The following is a resume of each of these clerical employees together with their EOD and present grade:

1. Miss CATHERINE A. LAMBRECHT, EOD 2/23/42, Grade GS-4.

Miss LAMBRECHT is presently handling the duties of receptionist and leave clerk for this Division. She also checks and files daily reports and No. 3 cards and acts as the FM radio dispatcher. She has had no experience in the Chief Clerk's Office. Miss LAMBRECHT is intelligent, congenial, and I believe that she has the ability to assume the responsibilities of the Assistant Chief Clerk and to carry out these responsibilities effectively.

2. EVERETT E. McHEE, EOD 8/17/42, Grade GS-5.

Mr. McHEE is presently assigned to the Security Shift and has for the past several months handled vouchers. He has done exceptionally well in this capacity; has had experience in various phases of the office of the Chief Clerk. He is married, has two children, is mature and has expressed a keen desire for further advancement in the Bureau. It is believed that he is qualified to handle the duties of Assistant Chief Clerk.

3. Mrs. DELL H. PRINCE, EOD 6/22/42 to 5/17/47; reinstated 7/31/50, Grade GS-4.

Mrs. PRINCE is presently assigned to the operation of opening new cases in the Chief Clerk's Office. She also receives teletypes and makes mail deliveries to the SAC and ASAC. She was formerly the Chief Clerk assigned to the special case involving the Texas City disaster. She is a mature woman, intelligent and has the ability to handle the work of the Assistant Chief Clerk.

MPC:JMIV

Letter to the Director

2/11/54

4. C. MAXTON FARRELL, EOD 10/18/48, Grade GS-5.

Mr. FARRELL is on the Security Shift of this office. He is assigned to a number of duties in the Chief Clerk's Office such as preparing outgoing mail, mimeographing, pulling ticklers, collecting and burning trash, checking office security, photostating, etc. He has developed well as a clerical employee and is now in a position to handle the responsibilities of the Assistant Chief Clerk.

5. MERTON R. ANDERSON, EOD 3/26/51, Grade GS-5.

Mr. ANDERSON is on the Security Shift of this office, prepares outgoing mail and handles similar duties as those outlined for Security Clerk FARRELL. Mr. ANDERSON is most conscientious, is mature and is well versed in the various phases of the work of the Chief Clerk's Office. Mr. ANDERSON has possibilities of developing into a Chief Clerk and is now capable of handling the duties of the Assistant Chief Clerk.

From the above it appears that this office has five individuals qualified to fill the vacancy of Miss CREWS. In view of the fact that Miss CATHERINE LAMBRECHT is qualified and has the greatest seniority, it is recommended that she be given first consideration for this position. It is my opinion that she could develop and qualify herself for the position of Chief Clerk.

It is recommended that Mr. EVERETT E. McCHIEE be given second consideration for this position and I believe that he, too, could develop and qualify himself for the position of Chief Clerk.

To fill the vacancy left by the resignation of Miss ANNE CREWS, it is recommended that MARY FRANCES TOLBERT, nee Crutchfield, be offered employment. The investigation of Mrs. TOLBERT, as reflected in the report of SA JACK B. PEDEN, San Antonio, dated 2/1/54, has been completed.

Early consideration to the above recommendations would be appreciated.

Note: The regulations require that OUTSTANDING ratings be supported by a statement in writing setting forth IN DETAIL the performance IN EVERY ASPECT and the REASONS for considering each worthy of SPECIAL COMMENDATION. Title Security Clerk, GS-5

Rating Period: from 10/1/52 to 9/30/53

## RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

Rate items as follows:

- + Outstanding (exceeding excellent and deserving special commendation).
- ✓ Satisfactory (ranging from good to excellent but not sufficient to rate outstanding).
- Unsatisfactory.
- No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

An 'Outstanding' rating cannot be justified unless all elements rated are 'plus', and in addition, of course, supporting comments must comply with the requirements as set out on the reverse of form FD-185.

So far as 'Satisfactory' and 'Unsatisfactory' ratings are concerned, it is impossible to provide a mechanical formula for computing the various 'plus', 'check', and 'minus' marks because such would presume equal weight for all elements rated. Good judgment must be exercised to insure that the adjective rating is reasonable in the light of the elements rated. All minus marks must be supported by narrative detail, and of course, all 'Unsatisfactory' ratings must comply with the requirements as set out on the reverse of form FD-185.

EMPLOYEE SUGGESTION

Date June 18, 1953

To: DIRECTOR, FBI

From: SECURITY CLERK Merton R. Anderson

Field Office or Division SAN ANTONIO, TEXAS

SUGGESTION: On all Wanted Flyers that are mailed to law enforcement officials by the field divisions whereon the subject listed is One of the Ten Most Wanted, change the heading from "WANTED BY THE FBI" to "ONE OF THE TEN MOST WANTED BY THE FBI" as per sample attached.

Its advantages are: To anyone reading a wanted flyer with this new heading, the fact that the subject is wanted as one of the ten most wanted will immediately be brought to the reader's attention, whereas the present wanted flyer just lists the subject as another criminal wanted by the Bureau.

It should save at least \$\_\_\_\_\_ annually.

The use by the United States of my suggestion shall not form the basis of a further claim of any nature by me, my heirs, or assigns upon the United States.

Dear Mr. Anderson:

Thank you very much indeed for your suggestion of July 6, 1953, concerning a means of further publicizing the Ten Most Wanted Fugitives Program. While the Bureau appreciates the interest exhibited by you, it is not believed desirable to adopt your proposal at this time. The Bureau is not in a position to prepare placards nor does it feel disposed to request police departments to bear the expense. It is further felt that sufficient publicity presently is attached to the Ten Most Wanted Fugitives Program and if additional stress is placed on these particular fugitives by law enforcement agencies it may be that stress will be removed from other Identification Order fugitives. The Bureau feels that the police should be alert to locate all fugitives and not concentrate their efforts on the Ten Most Wanted Fugitives.

Permit me to again express appreciation for your suggestion and I want to take this opportunity to encourage you to submit other thoughts whenever you believe they will be helpful to the Bureau.

Sincerely,

July 10, 1953

Mr. Merton R. Anderson

478 Federal Building  
San Antonio 6, Texas

Dear Mr. Anderson:

I want to express my personal appreciation to you for your thoughtfulness in submitting a suggestion on June 13, 1953, relative to a proposed revision in the heading on Wanted Flyers. In many cases Wanted Flyers are already outstanding on individuals placed on the list of the Ten Most Wanted Fugitives and in these instances it would not be possible to change the form of the Wanted Flyer. In other cases where the Wanted Flyers are issued subsequent to the designation this, of course, could be done but would change the approved form of the Wanted Flyer. It is the Bureau's belief that the Ten Most Wanted Fugitives receive sufficient publicity as one of the Top Ten Fugitives and the fact that a Wanted Flyer is issued would indicate that he is an extremely important fugitive. For the above reasons, therefore, your idea will not be adopted.

Although your suggestion is not being adopted in this particular instance, I want to thank you for your interest in presenting your views and to encourage you to make available any other ideas you may have from time to time for improvement in the Bureau's operations.

Sincerely yours,

EMPLOYEE SUGGESTION

Date July 6, 1953

To: DIRECTOR, FBI

From: SECURITY CLERK Marton R. Anderson

Field Office or Division SAN ANTONIO, TEXAS

SUGGESTION: It is a known fact that crime predominates in large cities. Suggest that after securing the permission of police departments in all cities of 75,000 population and over, a portion of their bulletin boards be utilized as follows: To display a placard captioned "FBI'S TEN MOST WANTED". Directly beneath this placard display Wanted Flyers of the Bureau's Ten Most Wanted Criminals. This bulletin board could be kept in a current status by the agent maintaining police liaison.

Its advantages are: This suggestion, if carried out, would bring these criminals face to face with law enforcement officers each and every day and should result in increased apprehensions, thereby creating better relations between the Bureau and police departments.

It should save at least \$\_\_\_\_\_ annually.

The use by the United States of my suggestion shall not form the basis of a further claim of any nature by me, my heirs, or assigns upon the United States.

## RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

Rate items as follows:

- + Outstanding (exceeding excellent and deserving special commendation).  
✓ Satisfactory (ranging from good to excellent but not sufficient to rate outstanding).  
- Unsatisfactory.  
○ No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

An 'Outstanding' rating cannot be justified unless all elements rated are 'plus', and in addition, of course, supporting comments must comply with the requirements as set out on the reverse of form FD-185.

So far as 'Satisfactory' and 'Unsatisfactory' ratings are concerned, it is impossible to provide a mechanical formula for computing the various 'plus', 'check', and 'minus' marks because such would presume equal weight for all elements rated. Good judgment must be exercised to insure that the adjective rating is reasonable in the light of the elements rated. All minus marks must be supported by narrative detail, and of course, all 'Unsatisfactory' ratings must comply with the requirements as set out on the reverse of form FD-185.

- ✓ (1) Personal appearance.  
✓ (2) Personality, including effectiveness of personal contacts.  
✓ (3) Attitude (including dependability, cooperativeness, loyalty, enthusiasm, amenability and willingness to equitably share work load).  
✓ (4) Physical fitness (including health, energy, stamina).  
✓ (5) Resourcefulness and ingenuity.  
✓ (6) Forcefulness and aggressiveness as required.  
✓ (7) Judgment, including common sense, ability to arrive at proper conclusions; ability to define objectives.  
✓ (8) Initiative and the taking of appropriate action on own responsibility.  
✓ (9) Accuracy and attention to pertinent detail.  
✓ (10) Industry, including energetic consistent application to duties.  
✓ (11) Productivity, including amount of acceptable work produced and rate of progress on or completion of assignments. Also consider adherence to deadlines unless failure to meet is attributable to causes beyond employee's control.  
✓ (12) Knowledge of duties, instructions, rules and regulations, including readiness of comprehension and 'know how' of application.  
✓ (13) Technical or mechanical skills.

- ✓ (14) Organizational interest, such as making of suggestions for improvement.  
✓ (15) Ability to work under pressure.  
○ (16) Supervisory ability:  
- (a) Leadership  
- (b) Ability to handle personnel  
- (c) Planning  
- (d) Making decisions

EMPLOYEE SUGGESTION

June 2, 1952.

To: DIRECTOR, FBI

From: Merton R. Anderson, Clerk

Field Office or Division - San Antonio

*Suggestion #257-52*

SUGGESTION: The Assignment Card, Form FD-1, is presently prepared in triplicate. The white original remains in the CCO to be filed in numerical sequence behind the agent's name to whom the case is assigned. The white duplicate copy is routed to the agent and the triplicate is the tickler. The writer respectfully suggests that the Assignment Card, Form FD-1, be prepared in quadruplicate, the fourth copy to be a light green in color and filed in the CCO, not the way the white original is filed as stated above, but chronologically according to classification. For example: Classification 1-0, 1-1, 1-2; Classification 2-0, 2-1, 2-2, etc. The clerk opening cases would file these quadruplicates as above suggested.

Its advantages are: The clerks searching for files could readily determine to whom the case was assigned. The most logical place to locate a file when it is not in its jacket, is the agent to whom the case is assigned. Instead of searching for the file on a supervisor's desk, checking with all the stenographers, or laboriously checking each individual agent's cases to determine to whom the case is assigned, the clerk can check the quadruplicate assignment cards filed in this chronological sequence. This would also eliminate the possibility of two cases being opened and bearing the same file number. In the process of filing these quadruplicate cards, the duplication of case numbers is easily determined. When a pending file is closed or R.U.C.'d the quadruplicate cards would be removed from the file at the same time as the original assignment cards.

The writer does not know and cannot estimate how much money this suggestion will save the Bureau annually. He also realizes that an extra amount of expense would be involved in the printing, preparing, and filing of the quadruplicate assignment card, but the benefits derived therefrom in clerical time saved over a period of years should more than compensate the expense incurred.

The use by the United States of my suggestion shall not form the basis of a further claim of any nature by me, my heirs, or assigns upon the United States.

\_\_\_\_\_  
(Signature of Suggestor)

Comments and recommendation of Supervisor, SAC, or Assistant Director:

In my opinion this is just another device which would add work to the Chief Clerk's Office and which would save time only in very few instances. If files are properly charged out in accordance with present Bureau regulations, any clerk looking for a file would know that if it is not charged out to an Agent, stenographer or typist, it should be in the Chief Clerk's Office or on the desk of the supervisor supervising this particular classification. I recommend that the suggestion not be adopted.

## RATING GUIDE AND CHECK-LIST

**Note:** Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

Rate items as follows:

- + Outstanding (exceeding excellent and deserving special commendation).  
✓ Satisfactory (ranging from good to excellent but not sufficient to rate outstanding).  
- Unsatisfactory.  
○ No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

An 'Outstanding' rating cannot be justified unless all elements rated are 'plus', and in addition, of course, supporting comments must comply with the requirements as set out below.

So far as 'Satisfactory' and 'Unsatisfactory' ratings are concerned, it is impossible to provide a mechanical formula for computing the various 'plus', 'check', and 'minus' marks because such would presume equal weight for all elements rated. Good judgment must be exercised to insure that the adjective rating is reasonable in the light of the elements rated. All minus marks must be supported by narrative detail, and of course, all 'Unsatisfactory' ratings must comply with the requirements as set out below.

## Office Memorandum • UNITED STATES GOVERNMENT

TO : Director, FBI

FROM : SAC, San Antonio

SUBJECT: MERTON R. ANDERSON  
CLERK

DATE: 6-6-52

P &amp; C

At the present time there are two Grade GS-5 security clerks assigned to the San Antonio Division, namely, Messrs. C. Maxton Farrell and Everett E. McGhee. Edwin F. Parma, Clerk, was assigned as a Security Patrol Clerk but his resignation was accepted effective April 26, 1952.

Remylet 12-12-51 recommending the reallocation of Mr. Anderson from Grade GS-3 to Grade GS-4 and Bulet 1-10-52 requesting that a special report be submitted outlining the duties of Mr. Anderson. Mylet of 1-23-52 outlined these duties and again recommended that he be reallocated to GS-4. Bulet 2-19-52 expressed the opinion that only three, GS-5 Security Patrol Clerks were warranted for this office.

Mr. Anderson is a very conscientious worker, wants to become an Agent some day, has contributed materially to the efficient operation of the Chief Clerk's Office during the security shifts and has been for several months working one of the various security shifts. He has been commended by Bureau letters 1-24-52 and 3-14-52 for suggestions that he has submitted. There have been two instances where mail has been misdirected from this office to the Bureau. The responsibility of this misdirected mail could have been that of Mr. Anderson. I was unable, however, to determine whether it was or was not.

There are 15 security shifts in this office, namely, 4:30 p.m. to 12:30 a.m., seven days a week and 12:30 a.m. to 8:30 a.m., seven days a week plus the 8:30 a.m. to 4:30 p.m. shift on Sunday. To cover these shifts a minimum of three security patrol clerks is required.

I therefore recommend that Mr. Anderson be reallocated from Clerk in Grade GS-3 to a Security Patrol Clerk in Grade GS-5.

Attached is a special efficiency report.

Dear Mr. Anderson:

Thank you for your suggestion of June 2, 1952, relative to the preparation of assignment cards in quadruplicate. Careful study has been given to your idea and it was concluded that the disadvantages outweigh the advantages which would be derived.

Although your suggestion will not be adopted in this particular instance, I did want to express my appreciation for your thoughtfulness in making your observations available. If other ideas come to mind which you believe would result in economy or greater efficiency, please feel free to submit them.

EMPLOYEE SUGGESTION

Date February 29, 1952

To: DIRECTOR, FBI

From: Merton R. Anderson, Clerk

Field Office or Division San Antonio

SUGGESTION: The Manual of Rules & Regulations, Sec. 13-1 Teletypes - 1b states "All teletype messages shall carry a priority in the heading either "Urgent" or "Deferred." The writer suggests the following abbreviations to be used in stating this priority:

Urgent - - - - - "Urg"  
Deferred - - - - - "Def"

Its advantages are: The San Antonio Field Division sends approximately ten teletype messages per day. Each alphabetical letter sent from this division to the SOG costs about 3/4 of 1¢. In the interest of economy it would appear that the saving to the Bureau would be about nine dollars per month, or a total of one hundred eight dollars per year from this field division alone. If this figure was to be multiplied times the fifty-two field offices and to that add the SOG, a material saving could be effected. I am cognizant of the fact that the minimum charge for a teletype is for three minutes.

It should save at least \$\_\_\_\_\_ annually.

The use by the United States of my suggestion shall not form the basis of a further claim of any nature by me, my heirs, or assigns upon the United States.

Comments and recommendation of Supervisor, SAC, or Assistant Director:

See attached.

Comments and recommendation of SAC:

It appears that Mr. Anderson's suggestion would save some money and of course, would save a slight amount of time in sending each teletype. The cost of sending these two words would be very small since few teletype messages exceed three minutes and we are charged for three minutes whether we use it or not. The time saved on the part of the stenographer in typing the teletype and the teletype operator in sending the teletype would over a period of time be appreciable. It is suggested that his suggestion be given consideration.

Dear Mr. Anderson:

The Bureau has received your suggestion of February 25, 1952, concerning the possibility of abbreviating the priority of teletype messages.

This matter has received careful consideration and it is believed that the disadvantages outweigh the advantages. Although your idea is not being placed into effect, I do not want to let this opportunity pass without expressing to you my appreciation for your interest and initiative. If other thoughts come to mind which you believe would help the Bureau please submit them.

Sincerely yours,

~~CONFIDENTIAL~~

Reurmemo 1/23/52, recommending that Mr. Anderson be re-allocated to GS-4, evidently as a Security Patrol Clerk.

You pointed out that the volume of clerical work on the night shift (4:30 p.m. to 12:30 a.m.) was such that one clerk could not handle it and that, consequently, Mr. Anderson should be assigned with the Security Clerk already working that shift.

The Bureau has no objection to your assigning additional personnel, as needed, to the night shift. The Bureau probably will be unable, however, to approve the reallocation of more than one employee to Grade GS-5 as a Security Patrol Clerk on that shift because the element which raises the position to Grade GS-5 is that of possessing primary responsibility for security of the office during the majority of the incumbent's tours of duty. In the absence of very unusual circumstances, it is impossible to justify the joint assignment of two Grade GS-5 Security Patrol Clerks to the same shift.

The Bureau is aware that you are not recommending Mr. Anderson for reallocation to Grade GS-5 but rather for reallocation to Grade GS-4. The above comments are intended as background to the Bureau's memorandum of 1/10/52, which you referred to and which was intended to indicate that it did not appear justifiable for your office to have more than three Security Clerks, as such.

With respect to reallocating Mr. Anderson on the security-clerk theory, therefore, this would appear to be impossible unless there are unusual circumstances which in your opinion warrant an increase in the staff of Security Patrol Clerks. Further, on the basis of the duties you list for him in your memorandum of 1/23/52, the Bureau is unable to approve his reallocation to Grade GS-4 because he appears to be spending the majority of his time on GS-3 work.

In summary then, the Bureau has no objection to your assigning Mr. Anderson to the night shift, but on the basis of the facts in its possession is unable to approve his reallocation to Grade GS-4. Should there be any other pertinent information you think ought to be considered, please forward it.

## Office Memorandum • UNITED STATES GOVERNMENT

TO : Director, FBI

DATE: 1-23-52

FROM : SAC, San Antonio

SUBJECT: MERTON R. ANDERSON  
CLERK

Remylet 12-12-51 recommending that Mr. Anderson be reallocated from Grade GS-3 to Grade GS-4 since he is assigned exclusively to the security shift and is doing the same quantity and quality of work as is being performed by the other security shift clerks. ReBulet 1-10-52 advising that in the Bureau's opinion three security shift clerks were adequate for this office.

If I may respectfully do so, I would like to request that the Bureau reconsider this decision. At the present time the San Antonio Division has 64 Agents, 1 Special Employee and 27 stenographic, clerical and radio communications employees. The work of this office has increased materially in the past few months. Normally there are 14 night shifts to be worked, namely, 7 from 4:30 p.m. to 12:30 a.m. and 7 from 12:30 a.m. to 8:30 a.m. The schedule has been set up whereby one of the security shift clerks would handle the clerical duties between 8:30 and 5:30 on Sundays. This makes a total of 15 shifts which would completely occupy the time of three clerical employees if they could handle the volume of work. It has been found, however, that the volume of work on the shift from 4:30 p.m. to 12:30 a.m. is such that one clerical employee cannot perform the duties assigned. The duties that are assigned to these shifts are those which can more efficiently be handled on a night shift where the clerks are away from the hustle and bustle of the everyday office routine. Mr. Anderson has been assigned along with another security clerk on the 4:30 p.m. to 12:30 a.m. shift. I have personally checked the work on this shift several times and find that quite often the volume of teletypes, telephone calls, mimeographing, etc., makes it necessary for these 4:30-12:30 shift employees to work beyond their regular hours.

There follows an estimate of the amount of time put in by Mr. Anderson in the performance of his duties. The amount of time required in handling each assignment, of course, will vary.

Trash	30 min.
Mail	100 min. ✓
Pending files	50 min. ✓
Closed files	30 min.
Phone (complaints and misc.)	30 to 60 min. ✓
Teletypes	30 to 60 min.
Ticklers	25 min.
File requests	25 min. ✓
Search for files	30 min.
Mimeograph	40 min.
Addressograph (AO'S, IO'S)	30 min.
Security Patrols	30 min. X

Mr. Anderson is a most willing worker, is ambitious to progress in the Bureau, uses good judgment in the handling of complaints, phone calls and teletypes, is accurate in the performance of his other duties, and in my opinion, is qualified and should be reallocated to Grade GS-4.

I am also firmly convinced that the office operates more efficiently with two night clerks on the 4:30 p.m. to 12:30 a.m. shift than it would if one of these clerical employees were taken off this shift and placed on the day shift. I recommend that it be continued as it is at present.

The Bureau's consideration will be greatly appreciated.

EMPLOYEE SUGGESTION

To: Director, FBI

From: Merton R. Anderson, Clerk

Field Office or Division: San Antonio, Texas

SUGGESTION: Every Selective Service Registrant has a Service Serial number and every deserter has an Army, Navy or Marine Serial number. When indice cards are made for classifications 25 and 42, make an additional card for each subject listing the file number, the subject's name, and on the first line at the extreme right list the Service Serial number or Army Serial number as the case may be.

These new cards could be filed numerically, according to the last three digits of each number in a manner identical to that used at the present time in the filing of license numbers and motor numbers.

Its advantages are: It is much quicker to check a number than to check a name, especially when there are so many indice cards having the same subject's name. In the border offices of the Southwest many Mexicans are Selective Service Violators as well as deserters. In the San Antonio office alone there are 22 different indice cards under the name "Juan Perez". A short time ago twenty minutes were consumed by the writer in checking the indices and various files in regard to one Mexican Selective Service Violator. The file in question could have been found in approximately four minutes with this new type of indice card, thereby saving sixteen minutes of working time.

It should save at least \$2000.00 annually per field office.

The use by the United States of my suggestion shall not form the basis of a further claim of any nature by me, my heirs, or assigns upon the United States.

(Signature of Suggestor)

Comments and recommendation of Supervisor, SAC, or Assistant Director:  
I do not believe this suggestion would be unusually advantageous. We are presently placing Army serial numbers or Selective Service Nos. on index cards when this information is available. A proper search of the indices therefore should properly identify the individual. I do not recommend that this suggestion be placed into effect.

Dear Mr. Anderson:

The Bureau has received your suggestion of January 14, 1952, concerning the preparation of index cards in Selective Service and Deserter cases. The thoughts which you expressed have been carefully studied at the Seat of Government and it is believed the disadvantages attendant to the proposal outweigh the benefits which would be gained. Unfortunately, the Bureau will be unable to put your idea into effect, but wishes to express its appreciation for your initiative in submitting your views as you did.

Re: MERTON R. ANDERSON, Clerk  
Special Performance Rating

Mr. Anderson continues to present a very good personal appearance, has a pleasing, friendly personality, gets along very well with fellow employees and is very serious in his approach to his work.

He has during the period of this report been assigned to the security shift exclusively. He has very diligently pursued his responsibilities, has developed a very good knowledge of his duties, is extremely industrious and has produced a good volume of work. His work has been of a very high caliber, his errors have been very few and of a minor nature. He accepts the responsibilities of the security shift and discharges them with a minimum of supervision. For a clerical employee in Grade GS-3 I feel he is entitled to a rating of Satisfactory.

As you know there are three employees in your office who are assigned to the Security shift which number is believed adequate for the size of your office. Therefore, Mr. Anderson should not be assigned to the Security of the office except perhaps on the relief shift for the other clerks.

In order to permit the Bureau to consider the captioned employee's eligibility for promotion to Grade GS 4, it is desired that you submit a specific report concerning the nature of the duties being performed by Mr. Anderson and the approximate division of his time between these duties.

## RATING GUIDE AND CHECK-LIST

**Note:** Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

Rate items as follows:

- + Outstanding (exceeding excellent and deserving special commendation).  
✓ Satisfactory (ranging from good to excellent but not sufficient to rate outstanding).  
- Unsatisfactory.  
0 No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

An 'Outstanding' rating cannot be justified unless all elements rated are 'plus', and in addition, of course, supporting comments must comply with the requirements as set out below.

So far as 'Satisfactory' and 'Unsatisfactory' ratings are concerned, it is impossible to provide a mechanical formula for computing the various 'plus', 'check', and 'minus' marks because such would presume equal weight for all elements rated. Good judgment must be exercised to insure that the adjective rating is reasonable in the light of the elements rated. All minus marks must be supported by narrative detail, and of course, all 'Unsatisfactory' ratings must comply with the requirements as set out below.
